Collapsing and cracking on Little Ellis

Mt Ellis
Northern Gallatin
2/9/2020
Code
Latitude
45.57770
Longitude
-110.95500
Notes

Two parties reported, "Widespread wumphing and cracking on Little Ellis (both on the north side and east facing meadow above)." and "We skinned up the road and planned to ski the eastern meadow below Little Ellis. As soon as we began skinning the meadow, heard, and felt, a significant "whomp" so decided to play it safe and leave the area."
