

GNFAC Avalanche Advisory for Sun Dec 20, 2015

AVALANCHE WARNING

ISSUED ON DECEMBER 20 2015 at 5:30 a.m.

The Gallatin National Forest Avalanche Center is issuing a Backcountry Avalanche Warning for the mountains near **Cooke City**, the **Madison Range**, the **Gallatin Range**, the **Lionhead area near West Yellowstone**, and the **Bridger Range**. Continuous snowfall and strong winds have added weight and stress to a weak and unstable snowpack. Natural and human triggered slides are likely today. Avalanche terrain and avalanche runout zones should be avoided. The avalanche danger is rated **HIGH** on all slopes.

You are urged to contact the Gallatin National Forest Avalanche Center for more detailed information.
